

Dave Szczepanski

Dave Szczepanski is a Corporate HR Director at MidMichigan Health. Dave works closely with all levels of the management team to provide guidance to issues related to recruitment, onboarding, performance management, and strategic direction. Dave is charged with driving the people strategy and agenda that meets the objectives of both the short and long term strategic vision of MidMichigan Health. In his role, he is directly responsible for leading HR strategy at MidMichigan Medical Center-Midland and leading the HR Strategic Partners assigned to all other affiliate locations.

Prior to joining MidMichigan Health, Dave spent 14 years at Hurley Medical Center in labor relations, leadership development and education. Dave loves working with the board at the Arnold Center and the leaders of the organization that make such a wonderful difference in people's lives. Dave spends his free time with his beautiful wife Wendy and their seven amazing children.
